On behalf of the staff, faculty, students and Board of Governors of Niagara College, I would like to take this opportunity to congratulate the Niagara College Knights on another successful year.

Our student-athletes are a great source of pride for our College community. Through your hard work and commitment to excellence in the classroom and on the field of play, you have enriched the college experience for yourselves and others. You bring all of us together, and give us something to cheer for.

This was a special year for our varsity athletic program, with a new athletic centre, an historic basketball matchup against Brock University, and our successful hosting of the CCAA Women's National Basketball Championships. I would like to congratulate and thank the athletics staff, dedicated coaches and volunteers, fans and sponsors for your generous contribution to the development and success of our student athletes and our athletics program.

Congratulations to all for another outstanding season, and best wishes in all of your future endeavors.

Dan Patterson Ph.D.
President

Dan Patterson
President

The 2010-2011 varsity sports year brought much in the way of excitement and accomplishment. A season that started with the inaugural Peninsula Hoop Classic match between Brock University and Niagara College's Men's Basketball teams in support of United Way ended with the proud and grand hosting of the CCAA National Women's Basketball Championships that brought talented collegiate athletes, team staff, guests and fans from coast to coast to our brand new athletic facilities at the Welland Campus.

In between these spectacular events, we felt the thrill of earning two more provincial medals (Bronze in Golf and Curling) and numerous coach and player accolades on the provincial and local front. It is with much gratitude that the Niagara College Athletic Department and administration acknowledges the dedication of everyone involved - athletes, coaches, athletic department staff, varsity game staff, media, and officials- all who worked tirelessly on and off the court or field of play.

Of course, a year like we had in 2010-11 would not have been as memorable as it was without the support of our many fans - family and friends of athletes and the Niagara College community. GO KNIGHTS!!

Brigitte Chiki
Director
Student Services

The Niagara College Intercollegiate program opened the 2010-2011 season in a new state of the art athletic centre which opened with a historic men's basketball game versus the Brock Badgers that raised \$4,000 in support of United Way Niagara. This event kicked off the busiest season in the history of our athletic program.

As we moved forward through the season, all our varsity programs took that pride on to the field of play, golf courses, and on to the courts, resulting in team and individual accomplishments. The busy season continued with the new centre hosting events for the first time, including the high school boys and girls Tribune Basketball Tournaments, OFSAA girls "AAA" volleyball Championships, and capped off with one of the most prestigious events we have ever hosted, the 2011 CCAA Women's Basketball National Championships. Everyone involved in hosting these events and many others should be proud of giving all the participants the experience of a life time.

From the many volunteers to all our corporate partners, we pulled together to make this a memorable year for Niagara College for years to come.

Ray Sarkis
Co-ordinator
